

DURACOSYS - 2010

International Conference on Structural Analysis of Advanced Materials
September 12-15, 2010
Patras (Greece)

Dear Colleague,

You are cordially invited to participate in

The International Conference on the

Progress in Durability Analysis of Composite Systems

DURACOSYS - 2010

Topics

- Polymers and Polymer Matrix Composites
- Metal and Ceramic Matrix Composites
- Sandwich structures
- Particulates
- Nanocomposites
- Biomaterials and medical applications
- Smart materials
- Green composites
- Stress analysis, analytical and numerical modelling
- Fracture, Fatigue, static and dynamic behaviour
- Viscoelastic behaviour
- Experimental techniques, NDT and Thermal Analysis
- Damage characterization and durability
- Manufacturing and structural applications

Conference Date: September 12-15, 2010

Venue: University of Patras, GREECE

Abstract Submission Deadline: January 31, 2010

Website: To be announced

We would be very honoured if you would kindly consider participating in our conference. We would like to thank you in advance and look forward to meeting you in Patras.

Yours sincerely,

George Papanicolaou

Professor
Chairman of the Conference
